## **Declaration of the interim Director of the Press Office, Alessandro Gisotti**

In memory of the 6th anniversary of his visit to Lampedusa, on Monday, 8 July, the Holy Father Pope Francis, will celebrate a Mass for Migrants, at 11:00, in St Peter's Basilica. Around 250 people will participate in the celebration, among whom will be migrants, refugees and those who are dedicated to saving their lives.

Taking part in the Mass, presided over by the Pope at the Altar of the Chair of St Peter, will be only those persons invited by the Migrants and Refugees Section of the Dicastery for Promoting Integral Human Development, to whom the Holy Father has entrusted the organization of the event.

While *Vatican Media* will provide a live broadcast of the Mass, the presence of the press in the Basilica is not anticipated. The Holy Father desires that the moment be as recollected as possible in the remembrance of how many have lost their lives fleeing war and misery, and so as to encourage those who strive day after day to sustain, accompany and welcome migrants and refugees.
