• PRESS RELEASE: MEETING OF THE POPE WITH A GROUP OF PERSONS WHO WERE SEXUALLY ABUSED

On Sunday 18 April 2010, in the Apostolic Nunciature in Malta, the Holy Father met a small group of persons who were sexually abused by members of the clergy.

He was deeply moved by their stories and expressed his shame and sorrow over what victims and their families have suffered. He prayed with them and assured them that the Church is doing, and will continue to do, all in its power to investigate allegations, to bring to justice those responsible for abuse and to implement effective measures designed to safeguard young people in the future.

In the spirit of his recent *Letter to the Catholics of Ireland*, he prayed that all the victims of abuse would experience healing and reconciliation, enabling them to move forward with renewed hope.
